## Band Profile

<http://www.northberwickpipeband.co.uk>

The current North Berwick Pipe Band was formed in 1957 by the former members of the North Berwick Scout Band. It still maintains links with the Scout movement to this day.

The band attends many events throughout the year locally, nationally, and internationally ranging from Weddings, galas, and corporate events.

The band wears the Mackenzie Seaforth tartan as a link to its Scouting roots and in memory of Capt. D.R. MacLennan, former Pipe Major of the 3<sup>rd</sup> Bn Seaforth Highlanders, who was one of the founder members of the band.

Our members are drawn from all over East Lothian and from further. New members are always welcome and there is no age restriction. If you are interested, please get in touch.

The North Berwick Pipe Band has established its name around the country and has very good ties around the world. The band is based in St Andrews Blackadder Church, North Berwick and you can find us on a Wednesday night teaching learners and practicing our settings and repertoire.

The band has limited sponsorship and is predominantly self-funded, all the monies that the band makes through fundraising and functions is used for equipment and uniforms.
